Dear Sir:

I am enclosing a clipping
covering recent data on coinage in the
country which I thought might be
interesting to you. I am anxious
to secure a photo of the old Trade
Dollar and also of the old (big) Mexican
peso such as is used as a coin
in China and the Orient. Have you
any arrangement for such service?
If so I would be very glad to pay
for such photos.

Very truly yours
G. A. Burr

Dear Sir:

I beg to thank you very much for your newspaper clipping concerning information about recent coinage. I am herewith sending a photograph which we have just made of an old Carolus dollar, a Mexican Republican dollar and one of our trade dollars, all of which have been used in China and which show the chop marks of Chinese bankers.

Very truly yours,
